

Tech Class 2020

- Advertised on “NEXTDOOR” ; ARRL; neighborhood newsletter
- Held on 2 full day Saturdays
- Used ARRL slide pack
- Review and test on 3<sup>rd</sup> Saturday

- 26 signups
- 20 attended (Business trips and flu kept several out)
- 12 made the test (2 got married so were absent, flu, a funeral, and “just not ready nerves” kept others out)
- 4 walk-ins for the test

- 16 people took exams and most of the class members tried the General test too.
- Results:
  - 11 new Technician licenses
  - 2 new General class
  - 1 new Extra class

# WINTER FIELD DAY 2020

HANDS ON MENTORING FOR CLASS MEMBERS

- Why not!??
- Held at my community building
- Used as a practical for license class members
- Operated 2I, but Stephen set up outdoors
- 4 class members attended and helped set up
- 4 club members attended
- Poor conditions limited contacts, plus I spent most of time explaining equipment and contests to class members
